**PROXY STATEMENT
OF
SBT BANCORP, INC.**

**FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 14, 2013**

This Proxy Statement is furnished to shareholders of common stock of SBT Bancorp, Inc. (the “Company” or “we”) in connection with the solicitation of proxies by the Company’s Board of Directors (the “Board”) for use at the Annual Meeting of Shareholders of the Company to be held at the main office of the Company’s subsidiary, The Simsbury Bank & Trust Company, Inc. (the “Bank”), 981 Hopmeadow Street, Simsbury, Connecticut, at 5:00 p.m. on May 14, 2013, and any and all adjournments or postponements thereof (the “2013 Annual Meeting”).

This Proxy Statement, the Notice of the 2013 Annual Meeting, the enclosed form of proxy and the Annual Report to Shareholders for the year ended December 31, 2012 for SBT Bancorp, Inc. (the “Annual Report”) are first being mailed to shareholders of our common stock on or about April 12, 2013. We will, upon written request and without charge, furnish you with additional copies of the Annual Report. Please address all such requests to us by mail to SBT Bancorp, Inc., Attention: Gary R. Kevorkian, at the principal executive offices of the Company, which are located at 760 Hopmeadow Street, P.O. Box 248, Simsbury, Connecticut 06070-0248 (telephone number (860) 408-5493).

INFORMATION ABOUT SOLICITATION AND VOTING

A shareholder of record of the common stock who executes the enclosed form of proxy may revoke it at any time before it is voted by written notice of such revocation or a duly executed proxy bearing a later date delivered to the Secretary of the Company at the address set forth above or by attending the 2013 Annual Meeting and revoking the proxy at such time. Attendance at the 2013 Annual Meeting will not itself revoke a proxy. Shares represented by properly executed proxies will be voted at the 2013 Annual Meeting in accordance with the specifications thereon. Shareholders of record of the common stock who are present at the 2013 Annual Meeting may vote by ballot.

This proxy solicitation is being made by the Board. The expense of soliciting proxies in favor of the Company’s proposals will be borne by the Company. In addition to solicitation of proxies by mail, proxies may also be solicited by telephone or personal contact by employees and/or directors of the Company who will not receive additional compensation for soliciting proxies.

Only shareholders of record of the Company’s common stock at the close of business on March 8, 2013 (the “Record Date”) are entitled to notice and to vote at the 2013 Annual Meeting. On the Record Date, there were 888,724 outstanding shares of the Company’s common stock, no par value. Each share of common stock is entitled to one vote. The presence, in person or by proxy, of a majority of the issued and outstanding shares of common stock on the Record Date, or 444,363 shares, is necessary to constitute a quorum at the 2013 Annual Meeting. Abstentions and broker non-votes are counted as present for establishing a quorum. When a record holder (*e.g.*, a bank or brokerage firm) holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because the beneficial owner has not provided voting instructions, this is referred to as a “broker non-vote.”

If the shares you own are held in “street name” by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the instructions your bank or brokerage firm provides you.

If your shares are held in “street name,” you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the 2012 Annual Meeting. To be able to vote your shares held in street name at the 2013 Annual Meeting, you will need to obtain a proxy card from the holder of record.

With respect to the proposals at the 2013 Annual Meeting concerning the approval of the appointment of the Company’s independent auditors, your broker is entitled to use its discretion in voting your shares, even if you do not give your broker instructions as to how to vote.

Directors will be elected by a plurality of the votes cast at the 2013 Annual Meeting. Thus, an abstention or a broker “non-vote” will have no effect on the outcome of the vote on election of directors at the meeting. The non-binding advisory proposal regarding the compensation of our named executive officers will be approved if a majority of the votes cast are FOR the proposal. Abstentions and broker “non-votes” will have no impact on the approval of this non-binding advisory proposal. The non-binding advisory proposal regarding how frequently the Company should conduct a non-binding advisory vote to approve the compensation of our named executive officers will be determined by a plurality of the votes cast for one year, two years or three years. Abstentions and broker “non-votes” will have no impact on this non-binding advisory proposal. The ratification of the appointment of Shatswell, MacLeod & Co., P.C. will be approved if a majority of the votes cast are FOR the proposal. Abstentions and broker “non-votes” will have no impact on the ratification of Shatswell, MacLeod & Co., P.C.

Each proxy received will be voted as directed. However, if no direction is indicated, the proxy will be voted: in Item 1, **FOR** the election to the Board of Directors of four Class II director nominees; in Item 2, **FOR** the non-binding approval of the compensation of the Company’s named executive officers as determined by the Compensation and Human Resources Committee; in Item 3, **FOR** one year in the non-binding proposal regarding how frequently the Company should conduct a non-binding advisory vote to approve the compensation of our named executive officers; in Item 4, **FOR** the ratification of Shatswell, MacLeod & Co., P.C. as independent auditors; and on such other matters as may properly come before the 2013 Annual Meeting, in such manner as the persons so named in the proxy shall decide.

We will report the voting results in a current report on Form 8-K, which we expect to file with the Securities and Exchange Commission, within four business days of the date of the Annual Meeting.

If you have any questions about the 2013 Annual Meeting or your ownership of our common stock, please contact Gary R. Kevorkian, our corporate secretary, by mail at SBT Bancorp, Inc., Attention: Gary R. Kevorkian, Secretary, 760 Hopmeadow Street, P.O. Box 248, Simsbury, Connecticut 06070-0248, or by email to Mr. Kevorkian’s attention at sbtinfo@simsburybank.com.

DISCUSSION OF PROPOSALS

ITEM 1

ELECTION OF DIRECTORS

As of the date of this Proxy Statement, the Company's Certificate of Incorporation provides that the Board of Directors shall be divided into three classes, as nearly equal in number as possible, with each class having a three-year term. The size of the Board is currently set at 11 directors that is comprised as follows: three Class I directors, four Class II directors and four Class III directors. There are presently 11 persons serving as directors of the Company. Proxies solicited from shareholders cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

The terms of the classes are staggered so that the term of a class expires at each annual meeting of the Company. The terms of the four incumbent Class II directors, Martin J. Geitz, Gary R. Kevorkian, Jerry W. Long, and George B. Odlum, Jr., DMD, expire at the 2013 Annual Meeting.

At a meeting held on February 20, 2013 the Board of Directors voted unanimously to recommend the following four persons for election to the Board of Directors with terms expiring on the dates set forth below:

<u>Nominee</u>	<u>Class</u>	<u>Term Expiration</u>
Martin J. Geitz	Class II	2016 Annual Meeting of Shareholders
Gary R. Kevorkian	Class II	2016 Annual Meeting of Shareholders
Jerry W. Long	Class II	2016 Annual Meeting of Shareholders
George B. Odlum, Jr., DMD	Class II	2016 Annual Meeting of Shareholders

The nominees each currently serve as a director of the Company and are nominated to serve for his term and until his successor is elected and qualified. For more information about the background of each nominee for director, please see "Information about our Directors and Executive Officers" on page 11. In the event that any of the nominees become unable to serve, an event which the Board does not expect, the shares represented by proxy may be voted for a substitute nominee to be designated by the Board or a committee thereof, unless the proxy withholds authority to vote for all nominees.

If a quorum is present at the 2013 Annual Meeting, the election of directors will require the affirmative vote of a plurality of the votes cast. Abstentions by shareholders and broker non-votes with respect to the election of directors will not be included in determining whether nominees have received the vote of such plurality. Certain information about the business experience of the director nominees, including their service as directors of other corporations, is listed below in "Information about our Directors and Executive Officers" on page 11. References to terms of service as a director or officer of the Company include service as a director or officer of the Bank prior to the date of the holding company reorganization on March 2, 2006.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors intends to vote all proxies held by it in favor of all director nominees, unless shareholders direct otherwise. Election to the Board of the four Class II directors of the Company shall require the affirmative vote of a plurality of the votes cast at the 2013 Annual Meeting. Abstentions and broker non-votes with respect to the election of directors will not be included in determining whether nominees have received the votes of such plurality.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" ELECTION OF MESSRS. GEITZ, KEVORKIAN, LONG AND ODLUM TO THE BOARD OF DIRECTORS.

ITEM 2

NON-BINDING ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

The Board of Directors believes that the Company's current executive compensation program is focused on pay-for-performance principles, directly links executive compensation to the Company's short and long-term financial performance and aligns the interests of its executive officers with those of its shareholders. We also believe that both we and our shareholders benefit from responsive corporate governance policies and constructive and consistent dialogue. The proposal described below, commonly known as a "Say on Pay" proposal, gives you as a shareholder the opportunity to endorse or not endorse the compensation for our named executive officers by voting to approve or not approve such compensation as described in this proxy statement.

The Dodd-Frank Wall Street Reform And Consumer Protection Act Of 2010 (the "Dodd-Frank Act") requires publicly traded companies to give their shareholders a non-binding vote on executive compensation. Because the Company qualifies as a "smaller reporting company" under the rules of the Securities and Exchange Commission, the "Say on Pay" requirement is applicable to the Company commencing with its annual meeting of shareholders in 2013.

We are asking you to approve the compensation of the Company's named executive officers as described under "COMPENSATION AND OTHER MATTERS" in this proxy statement. Because your vote is advisory, it will not be binding upon or overrule any decisions of the Board of Directors, nor will it create any additional fiduciary duty on the part of the Board of Directors. This advisory vote also does not seek to have the Board of Directors or Compensation and Human Resources Committee take any specific action. However, the Board of Directors and the Compensation and Human Resources Committee value the view expressed by the Company's shareholders in their vote on this proposal and will take into account the outcome of the vote when considering executive compensation matters in the future. In considering the outcome of this advisory vote, the Board of Directors will review and consider all shares voted in favor of the proposal and not in favor of the proposal. Broker non-votes will have no impact on the outcome of this advisory vote.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors intends to vote all proxies held by it in favor of approving the compensation of the named executive officers as determined by the Compensation and Human Resources Committee.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NON-BINDING APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DETERMINED BY THE COMPENSATION AND HUMAN RESOURCES COMMITTEE.

ITEM 3

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF THE NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

In this advisory vote, we are asking shareholders to indicate whether the Company should conduct an advisory vote on the compensation of our named executive officers once every year, once every two years or once every three years (i.e., on an annual, biennial or triennial basis). Alternatively, shareholders may abstain from casting a vote on this matter.

After careful consideration, the Board of Directors has determined that an annual advisory vote on executive compensation is the most appropriate alternative for the Company. By providing an advisory vote on executive compensation on an annual basis, our shareholders will be able to provide us with direct input on our compensation policies and practices as disclosed in the proxy statement every year. We understand that our shareholders may have different views as to what is the best approach for the Company, and we look forward to hearing from our shareholders on the compensation of our named executive officers every year.

Based on these considerations, the Board of Directors is recommending that shareholders vote for an advisory vote on executive compensation to be held every year (one year), but it is important to note that the proxy card provides for four choices (every one, two, or three years, or abstain) and that shareholders are not voting to approve or disapprove the Board of Directors' recommendation.

Because your vote is advisory, it will not be binding upon the Board of Directors, nor will it create any additional fiduciary duty on the part of the Board of Directors. However, the Board of Directors will take into account the outcome of the vote when determining how frequently an advisory vote on executive compensation should be conducted in the future. Broker non-votes will have no impact on the outcome of this advisory vote.

Legislation requires that our shareholders be given the opportunity at least once every six years to cast an advisory vote regarding how frequently the Company should conduct an advisory vote on executive compensation.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors intends to vote all proxies held by it in favor of an advisory vote on executive compensation being held every year (one year).

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE OF "ONE YEAR" ON HOW FREQUENTLY THE COMPANY SHOULD CONDUCT A NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

ITEM 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit and Compliance Committee has selected Shatswell, MacLeod & Co., P.C. as independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2013. Shatswell, MacLeod & Co., P.C. served as the Company's independent auditors for the fiscal year ended December 31, 2012 and has reported on the Company's financial statements for such year. Prior to the reorganization that occurred on March 2, 2006, Shatswell, MacLeod & Co., P.C. served as the independent auditor of the Bank.

A representative of Shatswell, MacLeod & Co., P.C. is expected to be present at the 2013 Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders.

The Audit and Compliance Committee has not developed detailed pre-approval policies because all engagements of independent accountants for audit and non-audit services must be approved by the Audit and Compliance Committee.

Principal Accountant Fees and Services

The following table reflects the aggregate fees billed for the last two fiscal years for professional services by the principal accountant of the Company and the Bank for the audit of their respective annual financial statements and the aggregate fees billed in each of the last two fiscal years for professional services rendered by such principal accountant for tax compliance, tax advice and tax planning.

	<u>2012</u>	<u>2011</u>
Audit Fees	\$84,118	\$67,448
Audit-Related Fees (1)	\$0	\$0
Tax Fees (2)	\$8,739	\$6,743
All Other Fees	\$24,313	\$4,500
Total	<u>\$117,170</u>	<u>\$78,691</u>

- (1) Non-financial statement audits.
- (2) Preparation of tax returns and estimates for each year.

All of the fees paid to Shatswell, MacLeod & Co., P.C. in 2012 were pre-approved by the Audit & Compliance Committee. For 2012, the \$24,313 under the category "All Other Fees" was for work performed by Shatswell, MacLeod & Co., P.C. for information technology controls review, Gramm Leach Bliley Act National Provider Identifier database update and audit services rendered in connection with Simsbury Bank's compliance with the Small Business Lending Fund Securities Purchase Agreement. For 2011, the \$4,500 under the category "All Other Fees" was for work performed by Shatswell, MacLeod & Co., P.C. for employee social media awareness testing.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors intends to vote all proxies held by it in favor of ratifying the selection of Shatswell, MacLeod & Co., P.C. as the Company's independent auditors for the year ending December 31, 2013 (unless shareholders direct otherwise).

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF THE FIRM OF SHATSWELL, MACLEOD & CO., P.C. AS INDEPENDENT AUDITORS FOR THE COMPANY FOR 2013.

AUDIT AND COMPLIANCE COMMITTEE REPORT

The Audit and Compliance Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions, internal controls and financial reporting process. The Audit and Compliance Committee is comprised of five directors, each of whom is independent as defined by the NASDAQ listing standards. The members of the Audit and Compliance Committee are the same as the members of the Bank's Audit and Compliance Committee.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent auditors, Shatswell, MacLeod & Co., P.C., are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit and Compliance Committee's responsibility is to monitor and oversee the financial reporting and audit processes.

In connection with these responsibilities, the Company's Audit and Compliance Committee met with management and the independent auditors to review and discuss the Company's December 31, 2012 consolidated financial statements. The Audit and Compliance Committee also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit and Compliance Committee also received written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit and Compliance Committee concerning independence, and discussed with the independent auditors that firm's independence.

Based upon the Audit and Compliance Committee's discussions with management and the independent accountants, and its review of the information described in the preceding paragraph, the Audit and Compliance Committee recommended that the Board include the audited consolidated financial statements of the Company in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

Audit and Compliance Committee Financial Expert

The Board has determined that the Company currently has at least one audit committee financial expert serving on its Audit and Compliance Committee. For the year ended December 31, 2012, that person was Nicholas B. Mason, who is "independent" as that term is defined in Rule 5605 of the NASDAQ listing standards.

Independence of Directors and Director Nominees

The following directors and director nominees are independent in accordance with Rule 5605 of the NASDAQ listing standards: Robert J. Bogino, James T. Fleming, Gary R. Kevorkian, Jerry W. Long, Nicholas B. Mason, Michael D. Nicastro, George B. Odlum, Jr., DMD, David W. Sessions, Rodney R. Reynolds and Penny R. Woodford.

Board Leadership Structure and the Board's Role in Risk Oversight

The Company has an independent Chairman separate from the Chief Executive Officer. The Board believes it is important to have an independent director in a board leadership position at all times. The Company's Chairman provides independent leadership of the Board. Having an independent Chairman enables non-management directors to raise issues and concerns for Board consideration without immediately involving management. The Chairman also serves as a liaison between the Board and senior management. The Board has determined that having an independent Chairman separate from the Chief Executive Officer is the most appropriate structure for risk oversight of the Company.

Risk management at the Company is the process of identifying, measuring, controlling and monitoring risk across the enterprise. Risk management crosses all functions and employees and is embedded in all aspects of planning and performance measurement. Systems, information and timely reporting enable the Company to identify, measure, control and monitor risk throughout the enterprise.

The Board is responsible for oversight of the Company's enterprise risk framework. The Board has delegated primary responsibility to the Executive Committee for overseeing financial, investment and operational risk exposures, to the Audit and Compliance Committee for overseeing regulatory and legal risk, to the Loan Committee of the Bank for overseeing credit risk, and to the Compensation and Human Resources Committee for oversight of risk related to management and staff. These Committees report to the full Board to ensure the Company's overall risk exposures are understood, including risk interrelationships. Risk reports are provided at Committee and Board meetings and the Board regularly engages in discussions of these risk reports and risk management. The Board also oversees reputational risk.

Board Committees

The Board of Directors presently has four standing committees – the Audit and Compliance Committee, the Corporate Governance Committee, the Executive Committee and the Compensation and Human Resources Committee.

Audit and Compliance Committee of the Company. The Audit and Compliance Committee has oversight responsibility for and reviews all financial and other reports provided by the Company's independent auditors and the Company's internal audit firm. The Audit and Compliance Committee evaluates and selects the independent auditor subject to shareholder ratification. The Audit and Compliance Committee, in its meetings with the Company's auditors, discusses and approves the audit and compliance scope and reviews all audit findings. The members of the Audit and Compliance Committee are Messrs. Odlum (Chair), Fleming, Mason, Nicastro and Ms. Woodford. All members of the Audit and Compliance Committee are independent in accordance with Rule 5605 of the NASDAQ listing standards. The Audit and Compliance Committee operates pursuant to a written charter adopted by the Board. The Audit and Compliance Committee met four times during 2012.

Compensation and Human Resources Committee of the Company. The Compensation and Human Resources Committee determines the compensation of the employees of the Company and the Bank, including executive officers other than the President and CEO. In determining the compensation of the Company and Bank's employees, including executive officers other than the President and CEO, the Compensation and Human Resources Committee considers the recommendations of Martin J. Geitz, President and CEO of the Company and the Bank. The Compensation and Human Resources Committee also reviews, but does not determine, the compensation of (i) the President and CEO of the Company and the Bank and (ii) the directors. Recommendations regarding the President and CEO's compensation are made by the Compensation and Human Resources Committee to the full Board, which then approves the President and CEO's compensation. With respect to director compensation, the Compensation and Human Resources Committee will make recommendations to the Corporate Governance Committee, which then recommends the amount of director compensation to the full Board for approval. The members of the Compensation and Human Resources Committee are Messrs. Kevorkian (Chair), Bogino, Long, Reynolds and Sessions. All members of the committee are independent in accordance with Rule 5605 of the NASDAQ listing standards. For 2012, the Compensation and Human Resources Committee operated pursuant to a written charter adopted by the Board on February 16, 2011. On February 20, 2013, the Board adopted an amended charter with minor revisions for the Compensation and Human Resources Committee. This committee met nine times in 2012.

Corporate Governance Committee of the Company. The Corporate Governance Committee functions as the nominating committee for director candidates, identifies qualified individuals to become members of the Company's Board of Directors, determines the composition of the Board of Directors and its committees, monitors and assesses the effectiveness of the Board of Directors, develops and implements the Company's corporate governance guidelines and reviews and recommends director compensation. All members of the Corporate Governance Committee are independent as that term is defined in Rule 5605 of the NASDAQ listing standards. The members of the Corporate Governance Committee are Messrs. Bogino (Chair), Fleming, Mason, Reynolds and Ms. Woodford. The Corporate Governance Committee operates pursuant to a written charter adopted by the Board. The Corporate Governance Committee met five times during 2012.

The Corporate Governance Committee has a formal policy regarding the consideration of director candidates recommended by shareholders which sets forth the minimum qualifications of suitable nominees for director as well as approved processes for identifying and evaluating nominees. The Corporate Governance Committee will consider any director candidate recommended by shareholders in accordance with the standards set forth in its charter. Such suggestions, together with appropriate biographical information, should be submitted to: SBT Bancorp, Inc., Attn: Gary R. Kevorkian, Secretary, 760 Hopmeadow Street, P.O. Box 248, Simsbury, Connecticut 06070. Possible candidates who have been suggested by shareholders are evaluated by the Corporate Governance Committee in the same manner as are other possible candidates.

The general criteria used to establish the traits, abilities and experience that the Corporate Governance Committee looks for in determining candidates for election to the Board include highest ethical character, independence from management, ability to represent all shareholders of the Company, ability to exercise sound business judgment, relevant expertise and experience that would benefit the Company and the ability to offer advice and guidance to the Chief Executive Officer and the Board. Key among the criteria is a director's existing ties to the Company's markets and adherence to Company's Code of Ethics and Conflicts of Interest Policy. All directors are subject to mandatory retirement from service on the Company's Board of Directors upon reaching seventy-six years of age. The Corporate Governance Committee has not adopted a formal diversity policy with regard to the selection of director nominees. However, the Corporate Governance Committee considers diversity as a factor in identifying director nominees and believes the Board as a whole should be a diverse body, with diversity reflecting age, gender, background and professional experience.

Executive Committee of the Company. The Executive Committee is responsible for the general supervision of the Company's affairs between meetings of the full Board, oversees the Company's investments, asset/liability management, budget and capital planning and reviews the Company's interest rate sensitivity and deposit and loan pricing. The Executive Committee is also responsible for overseeing the Company's information technology planning, security and development. In addition, the Executive Committee's responsibilities also include reviewing the financial and market performance of the subsidiary offering non-deposit products (including review and approval of the selection of and contracts with third party broker/dealers, review of all product types sold, appointment of Bank management to fill needed roles, recommendation of prudent policies and procedures, setting of commission structures and oversight of compliance with applicable regulations) and evaluating opportunities in the marketplace for enhancing the Company's offering of non-deposit products and services. The members of the Executive Committee are Messrs. Sessions (Chair), Bogino, Geitz, Kevorkian and Odium. The Executive Committee met 13 times during 2012.

Bank Committee

The Bank's Board of Directors has a Loan Committee, all of whose members are directors of both the Bank and the Company. The Loan Committee is responsible for the review and approval of consumer, mortgage and commercial loan requests above the respective individual or collective lending authorities of Bank loan officers as established in the Bank's Loan Policy. The Loan Committee is also responsible for ensuring compliance with the Bank's credit policies as annually approved by the Bank's Board of Directors, including the review and monitoring of the diversification of the loan portfolio and oversight of the Bank's compliance with the Community Reinvestment Act (CRA). The Loan Committee also reviews and monitors the growth and credit quality of the loan portfolio, including loan originations, delinquencies, risk rating changes, loan loss reserves and loan collection activities. The members of the Loan Committee are Messrs. Sessions (Chair), Bogino, Geitz, Kevorkian, Long and Nicastro. The Loan Committee met 26 times during 2012.

Availability of Committee Charters

The Audit and Compliance Committee, the Compensation and Human Resources Committee Charter and the Corporate Governance Committee each operates pursuant to a separate written charter adopted by the Board. Board Meetings

The Board held 16 meetings during 2012. All of the Company's incumbent directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by the committees of the Board of Directors on which such directors served during 2012 except for Jerry Long who attended 71% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by the committees of the Board of Directors on which he served.

Board members are expected to attend the Company's annual meeting of shareholders. All eleven directors of the Company at the time of the Company's 2012 annual meeting of shareholders attended such meeting.

Shareholder Communications

The Board of Directors has a formal process in place for shareholder communication to the Board of Directors or any individual director. Shareholders wishing to communicate with the Board of Directors or any individual director may write to SBT Bancorp, Inc., Gary R. Kevorkian, Secretary, 760 Hopmeadow Street, P.O. Box 248, Simsbury, Connecticut 06070. All communications received of a relevant nature will be forwarded to the full Board or appropriate individual director as directed. The Board of Directors believes this approach is reasonable in light of the relatively small number of shareholders of the Company and the relatively small number of communications the Board expects to receive in the foreseeable future.

The Compensation and Human Resources Committee is responsible for reviewing the performance and establishing the compensation of the Bank's officers and key employees, including the Company's executive officers other than the President and CEO. The Committee also reviews, but does not determine, the compensation of the President and CEO and makes a recommendation of his compensation to the full Board, which then approves the President and CEO's compensation. The Committee relies upon industry information, including surveys of similarly sized and located institutions and targets the Bank's compensation to be generally at the level of its peer group institutions.

The Compensation and Human Resources Committee retained the services of Arthur Warren Associates during 2012 to advise such committee on executive compensation matters and non-executive employee compensation matters. Arthur Warren Associates was engaged to perform a review of the Company's total compensation program of the Company's executive officers (including the three named executive officers) and make recommendations toward maintaining the Company's competitiveness with its peers with regard to its compensation philosophy, its Compensation and Human Resources Committee Charter, its short term bonus plans for non-executive employees, and ensuring an appropriate peer group of banks. The work performed by Arthur Warren Associates was completed in the fourth quarter of 2012.

The Compensation and Human Resources Committee instructed Arthur Warren Associates to benchmark the Bank's compensation programs against its peers to ensure that such programs are consistent with prevailing practices in its industry. The peer group consisted of three market surveys (Connecticut Bankers Association, Economic Research Institute and Pearl Meyer & Partners) as well as 12 publicly traded banks within the region having assets ranging between \$134 million and \$559 million. The banks included in the public bank peer analysis were BNC Financial Group, Inc., Chicopee Bancorp, Inc., Community Bancorp, Elmira Savings Bank, Hampden Bancorp, Inc., Jeffersonville Bancorp, Mayflower Bancorp, Newport Bancorp, PSB Holdings, Inc., Salisbury Bancorp, Inc., Union Bankshares, Inc. and VSB Bancorp, Inc. Based on the analysis prepared by Arthur Warren Associates, the Compensation and Human Resources Committee determined that the Bank's compensation programs and levels were generally competitive with the compensation programs and levels maintained by the Bank's peers.

The members of the Compensation and Human Resources Committee are Messrs. Kevorkian (chair), Bogino, Long, Reynolds and Sessions.

Employment, Change in Control and Other Related Agreements

The Bank maintains employment or change in control agreements with the following named executive officers: Messrs. Geitz, Bisceglia and Sheahan. The continued success of the Company and the Bank depends to a significant degree on the skills and competence of these officers. These agreements are with the Bank, not the Company.

Martin J. Geitz, President and Chief Executive Officer – The Bank and Martin J. Geitz are parties to an Employment Agreement, effective as of October 4, 2004, which was subsequently amended effective as of December 31, 2008. The term of the agreement, as amended, is the earlier to occur of Mr. Geitz attaining the age of sixty-five or the termination of Mr. Geitz's contract voluntarily or upon some other basis. Mr. Geitz is to be paid a salary of \$170,000, subject to adjustment by the Board. In addition, Mr. Geitz is entitled to an annual bonus in an amount and form set by the Board. Option grants and restricted stock awards are discussed in the footnotes of the Summary Compensation Table and the Outstanding Equity Awards Table. Mr. Geitz is entitled to: (1) participate in the Bank's comprehensive health insurance and major medical coverage; (2) participate in any long-term disability insurance plan (monthly cap of \$25,000 compared to \$8,000 for employees who are not executive officers) and pension plan maintained by the Bank; (3) paid time off of 28 days per year; (4) the use of an automobile for business purposes; (5) membership in a private "country" or similar golf club; and (6) attendance at two banking trade association conventions per year, including the cost of attendance and travel for Mr. Geitz and his spouse. The Bank may terminate Mr. Geitz's employment at any time without notice. The Bank may give up to sixty days' prior notice of the termination. If such notice is given to Mr. Geitz, the Bank may require him to remain in the employ of the Bank for the period of notice given. If the Bank terminates Mr. Geitz's employment other than for Cause or due to a Change in Control or Potential Change in Control (as such terms are defined in the Employment Agreement, as amended), Mr. Geitz shall be entitled to receive a lump sum payment equal to the aggregate of: (1) twelve months of Mr. Geitz's then current salary base salary; (2) an amount equal to bonus to which he would have been entitled under the agreement, as amended, had a Change of Control occurred; (3) payment for any accrued but unused vacation time; and (4) payment of Mr. Geitz's medical insurance for twelve months following his termination. This lump sum amount shall be reduced by any compensation Mr. Geitz receives for other employment after the termination of his employment with the Bank. Mr. Geitz may voluntarily terminate his employment on ninety days' prior notice to the Bank, however, notice need not be given where the termination has been approved by the Board of Directors or there has been a material breach of the Bank's obligations under the agreement, as amended. If Mr. Geitz fails to meet the terms of the agreement, as amended, concerning his voluntary termination, the Bank will be entitled to enjoin Mr. Geitz's employment with any significant competitor of the Bank for a period of twelve months.

In the event of a Change in Control or Potential Change in Control of the Bank or the Company, Mr. Geitz would be entitled to receive (1) credit for his years of service to the Bank plus five additional years for purposes of vesting and calculation of benefits under any benefit plan of the Bank or a successor thereto; (2) twelve months notice of termination during which time he shall receive payment at his then current salary and the highest bonus received by Mr. Geitz during the preceding thirty-six months, provided that if the Change in Control occurs prior to December 31, 2005 the amount of the bonus will equal \$25,000; (3) a lump sum cash payment in an amount equal to the sum of Mr. Geitz's then current salary plus the highest bonus he had received during the preceding 36 months; and (4) outplacement services in an amount not to exceed \$10,000. Mr. Geitz is not entitled to receive compensation or other benefits for any period after termination for Cause. Notwithstanding anything to the contrary set forth in Mr. Geitz's Employment Agreement, as amended, any payments due to Mr. Geitz as a result of his termination of employment may be delayed for up to six months after his termination of employment if the Bank determines that the delay is necessary to comply with Section 409A of the Internal Revenue Code. In the event that payments are delayed, the Bank will pay 5% simple interest on such delayed payments to Mr. Geitz.

The Bank and Martin J. Geitz are parties to a Supplemental Executive Retirement Agreement dated October 20, 2010. The agreement is an unfunded, non-qualified supplemental retirement program for Mr. Geitz and provides for supplemental retirement benefits payable in installments over 15 years upon his attainment of normal retirement age of 65. The supplemental retirement benefits are to be earned over the remaining working career of Mr. Geitz subject to certain conditions. Under the agreement, the projected retirement benefit for Mr. Geitz, assuming he

remains employed by the Bank until normal retirement age of 65, is \$82,800 per year for 15 years, with such payments beginning in the year he turns 65 years old. The benefits are capped at \$82,800 per year for 15 years and are subject to being substantially less should Mr. Geitz not remain employed until the normal retirement age of 65. The agreement also contains restrictive covenants that may result in Mr. Geitz forfeiting all accrued benefits should he be terminated for cause, be removed by regulatory order, or accept employment with a competing financial institution during the term of the agreement and within 12 months following his termination of employment with the Bank.

The Bank and Martin J. Geitz are parties to an Endorsement Split Dollar Insurance Agreement dated October 20, 2010. This agreement provides for the division of death proceeds under certain life insurance policies owned by the Bank on the life of Mr. Geitz with Mr. Geitz's designated beneficiary. The Bank has the right to exercise all incidents of ownership of the life insurance policies and may terminate such policies without the consent of Mr. Geitz. Under the agreement, if Mr. Geitz passes away prior to termination of his employment with the Bank, Mr. Geitz's designated beneficiary will be entitled to a benefit of \$750,000, which will increase four percent (4%) on each anniversary of the effective date of the agreement. In no event will the benefit exceed the total death proceeds of the life insurance policies minus the greater of (i) such policies' cash surrender value or (ii) the aggregate premiums paid by the Bank for such policies. If Mr. Geitz passes away after termination of his employment with the Bank for reasons other than death or disability, Mr. Geitz's designated beneficiary will not be entitled to any benefits. Mr. Geitz's rights under this agreement will terminate if he is subject to a final removal or prohibition order issued by an appropriate federal banking agency. In addition, no benefits will be paid to Mr. Geitz's designated beneficiary if the insurance company denies coverage for any reason, provided, however, that the Bank will evaluate the reasons for denial and, upon advice of legal counsel and in its sole discretion, consider judicially challenging such denial.

Anthony F. Bisceglia, Executive Vice President, Treasurer and Chief Financial Officer – Anthony F. Bisceglia is an at-will employee of the Company and the Bank. He is entitled to receive paid time off of 28 days per year and to participate in the Bank's benefit plans, including its medical plan, dental plan, group term life insurance plan (\$300,000 in coverage compared to \$200,000 for employees who are not executive officers), long-term disability insurance plan (monthly cap of \$25,000 compared to \$8,000 for employees who are not executive officers) and 401k retirement plan.

The Bank entered into a Change in Control Agreement with Mr. Bisceglia dated December 29, 2010. Pursuant to the Change in Control Agreement, in the event Mr. Bisceglia is terminated by the Bank without Cause (as defined in the Change in Control Agreement) or he resigns for Good Reason (as defined in the Change in Control Agreement) upon a Change in Control (as defined in the Change in Control Agreement) or during the remainder of the month in which a Change in Control occurs and 12 months thereafter, Mr. Bisceglia will be entitled to, among other benefits, the following: (i) a lump sum payment equal to two times the sum of (a) the greater of his annual base salary in effect immediately prior to the Change in Control or his annual base salary in effect at the time a notice of termination is given and (b) the greater of his annual target bonus for the year in which the Change in Control occurs or his annual bonus for the year immediately preceding the year in which the Change in Control occurs; (ii) accelerated vesting of his stock options, restricted stock and any other performance related incentive compensation awards; and (iii) 24 months of health insurance benefits on the same terms as were provided prior to termination of employment. The Change in Control Agreement was in effect through December 31, 2011, and commencing on January 1, 2012 and for each January 1 thereafter, the Change in Control Agreement is automatically extended for one additional year unless the Bank or the Executive gives notice to the other party no later than September 30th of the preceding year that the Change in Control Agreement will not be extended. Notwithstanding anything to the contrary set forth in Mr. Bisceglia's Change in Control Agreement, any payments due to Mr. Bisceglia as a result of his termination of employment may be delayed for up to six months after his termination of employment if the Bank determines that the delay is necessary to comply with Section 409A of the Internal Revenue Code. In the event that payments are delayed, the Bank will pay 5% simple interest on such delayed payments to Mr. Bisceglia.

The Bank entered into a Supplemental Executive Retirement Agreement with Mr. Bisceglia dated April 23, 2001. This agreement provides that upon Mr. Bisceglia's retirement on or after attaining age 65, the Bank shall pay

him a supplemental annual pension of \$10,000, payable in equal monthly installments, for a period of twenty years. Upon Mr. Bisceglione's death, while still actively employed with the Bank, his designated beneficiary shall receive an annual survivor's benefit equal to \$10,000, payable in equal monthly installments, for a period of twenty years. Upon Mr. Bisceglione's death, while receiving the supplemental annual pension, his designated beneficiary shall receive the remaining equal monthly payments which would have been due to Mr. Bisceglione. Furthermore, upon a change in control of the Company or the Bank, Mr. Bisceglione would be credited with five years of service with respect to the Supplemental Executive Retirement Agreement.

The Bank entered into an additional Supplemental Executive Retirement Agreement with Mr. Bisceglione dated May 7, 2010. This agreement is an unfunded, non-qualified supplemental retirement program for Mr. Bisceglione and provides for supplemental retirement benefits payable in installments over 15 years upon his attainment of normal retirement age of 65. The supplemental retirement benefits are to be earned over the remaining working career of Mr. Bisceglione subject to certain conditions. Under the agreement, the projected retirement benefit for Mr. Bisceglione are capped at \$21,500 per year, with such payments beginning in 2013 after he turned 65 years old. The agreement also contains restrictive covenants that may result in Mr. Bisceglione forfeiting all accrued benefits should he be terminated for cause, be removed by regulatory order, or accept employment with a competing financial institution during the term of the agreement and within 12 months following his termination of employment with the Bank.

The Bank entered into a Split Dollar Life Insurance Agreement with Mr. Bisceglione dated March 21, 2013. This agreement provides for the division of death proceeds under certain life insurance policies owned by the Bank on the life of Mr. Bisceglione with Mr. Bisceglione's designated beneficiary. The Bank has the right to exercise all incidents of ownership of the life insurance policies and may terminate such policies without the consent of Mr. Bisceglione. Under the agreement, if Mr. Bisceglione passes away prior to termination of his employment with the Bank, Mr. Bisceglione's designated beneficiary will be entitled to a benefit of \$100,000. In no event, however, will the benefit exceed the total death proceeds of the life insurance policies minus the greater of (i) such policies' cash surrender value or (ii) the aggregate premiums paid by the Bank for such policies. Since Mr. Bisceglione has reached the age of 65, his beneficiary will not be entitled to any benefits if Mr. Bisceglione's employment is terminated following a change in control of the Bank and he subsequently passes away. Mr. Bisceglione's rights under this agreement will terminate if he is subject to a final removal or prohibition order issued by an appropriate federal banking agency. In addition, no benefits will be paid if Mr. Bisceglione commits suicide within two years of March 21, 2013 or if the insurance company denies coverage for any reason, provided, however, that the Bank will evaluate the reasons for denial and, upon advice of legal counsel and in its sole discretion, consider judicially challenging such denial.

The Bank has entered into a Change in Control Severance Agreement with Mr. Sheahan dated November 2, 2010. termination of employment. The Change in Control Agreement was in effect through December 31, 2010, and commencing on January 1, 2011 and for each January 1 thereafter, the Change in Control Agreement is automatically extended for one additional year unless the Bank or the Executive gives notice to the other party no later than September 30th of the preceding year that the Change in Control Agreement will not be extended. Notwithstanding anything to the contrary set forth in Mr. Sheahan's Change in Control Agreement, any payments due to Mr. Sheahan as a result of his termination of employment may be delayed for up to six months after his termination of employment if the Bank determines that the delay is necessary to comply with Section 409A of the Internal Revenue Code. In the event that payments are delayed, the Bank will pay 5% simple interest on such delayed payments to Mr. Sheahan.

The Bank entered into a Supplemental Executive Retirement Agreement with Mr. Sheahan dated November 29, 2012. The agreement is an unfunded, non-qualified supplemental retirement program for Mr. Sheahan and provides for supplemental retirement benefits payable in installments over 15 years upon his attainment of normal retirement age of 65. The supplemental retirement benefits are to be earned over the remaining working career of Mr. Sheahan subject to certain conditions. Under the agreement, the projected retirement benefit for Mr. Sheahan, assuming he remains employed by the Bank until normal retirement age of 65, is \$20,000 per year, with such payments beginning in the year he turns 65 years old. The benefits are capped at the above amounts and are subject to being substantially less should Mr. Sheahan not remain employed by the Bank until the normal retirement age of 65. The agreement also contains restrictive covenants that may result in Mr. Sheahan forfeiting all accrued benefits should he be terminated for cause, be removed by regulatory order, or accept employment with a competing financial institution during the term of the agreement and within 12 months following his termination of employment with the Bank.

The Bank entered into a Split Dollar Life Insurance Agreement with Mr. Sheahan dated August 22, 2012. This agreement provides for the division of death proceeds under certain life insurance policies owned by the Bank on the life of Mr. Sheahan with Mr. Sheahan's designated beneficiary. Under the agreement, if Mr. Sheahan passes away prior to termination of his employment with the Bank, Mr. Sheahan's designated beneficiary will be entitled to a benefit of \$100,000. In addition, if Mr. Sheahan's employment is terminated following a change in control of the Bank and he passes away before the age of 65, Mr. Sheahan's designated beneficiary will be entitled to a benefit of \$100,000. In no event, however, will the benefit exceed the total death proceeds of the life insurance policies minus the greater of (i) such policies' cash surrender value or (ii) the aggregate premiums paid by the Bank for such policies. Mr. Sheahan's rights under this agreement will terminate if he is subject to a final removal or prohibition order issued by an appropriate federal banking agency. In addition, no benefits will be paid if Mr. Sheahan commits suicide within two years of August 22, 2012 or if the insurance company denies coverage for any reason, provided, however, that the Bank will evaluate the reasons for denial and, upon advice of legal counsel and in its sole discretion, consider judicially challenging such denial.

CERTAIN TRANSACTIONS WITH RELATED PERSONS

During 2012 and 2011, certain of the Company’s and the Bank’s current directors, executive officers and their affiliates had outstanding loans from the Bank. The largest aggregate amount of such loans outstanding during the period from January 1, 2012 to February 22, 2013 was on January 2, 2012 in an aggregate amount of \$6,372,793. All such loans were made in the ordinary course of the Bank’s business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectability or present other unfavorable features.

Except as described in the immediately preceding paragraph, neither the Company nor the Bank had any transactions with any of their directors, executive officers or their affiliates in which the amount involved exceeded \$120,000.

Policy and Procedures for Review, Approval or Ratification of Related Person Transactions

Our related person transaction practices and policies between the Company or any of its subsidiaries and an executive officer, director or an immediate family member are currently governed by the Company’s Code of Ethics and Conflicts of Interest Policy (the “Code of Ethics”). In the ordinary course of business, directors (or a business in which the director is a partner, director, shareholder or executive officer) may provide services to the Company or to

customers of the Bank. We require our directors and executive officers to complete a questionnaire, annually, to provide information specific to related party transactions.

Once we become aware of a proposed or a recurring activity with a related party, it is referred to the Chairman of the Board of Directors and the Chief Executive Officer who are authorized to determine whether the activity constitutes a conflict of interest and to act upon that determination. A transaction with a related party shall be consummated or shall continue only if such transaction is in accordance with the guidelines set forth in the Code of Ethics. Any material related person transaction involving officers will be disclosed to the Chief Executive Officer and any material related party transactions involving the Chief Executive Officer or a director will be disclosed to the Chairman of the Corporate Governance Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers and persons who beneficially own more than 10% of the Company's common stock ("Reporting Persons") to file certain reports concerning their beneficial ownership of the Company's common stock with the Securities and Exchange Commission (the "SEC") and to furnish the company with copies of such reports. Prior to the bank holding company reorganization on March 2, 2006, these reports were filed by Reporting Persons of the Bank with the Federal Deposit Insurance Corporation (the "FDIC"). Based solely upon the Company's review of its Reporting Persons' Forms 3, 4 and 5 filed with the SEC during and for the year ended December 31, 2012, and on written representations by certain officers and directors, to the best of the Company's knowledge, all of the filings by the Company's directors and executive officers, except for Nicholas Mason and David Sessions, were made on a timely basis during the 2012 fiscal year. On December 17, 2012, Mr. Mason made a voluntary cash purchase of additional shares through the Company's dividend reinvestment plan and inadvertently failed to file a Form 4 within two business days of such transaction. On March 16, 2012, Mr. Sessions' spouse made an inadvertent purchase of a share and inadvertently failed to file a Form 4 within two business days of such transaction. No other Reporting Person was delinquent with respect to his or her reporting obligations.

Nominations by beneficial owners of stock of the Company who are not record holders must be accompanied by evidence satisfactory to the Secretary of the Company showing that such nominating persons are entitled to act with respect to such shares. Nominations that are not made in accordance with these procedures shall be deemed void. The credentials and qualifications of all nominees also are subject to review by the Board.

Any proposal intended to be presented by a shareholder at the Company's 2014 Annual Meeting of Shareholders which is not a nomination to the Board must be presented to the Company in writing, and must be delivered or mailed and received by the Secretary of the Company not less than 90 nor more than 180 calendar days prior to the 2014 Annual Meeting, which is expected to be held on May 13, 2014. In addition, if the Company is not notified of a shareholder proposal by February 27, 2014, then the proxies held by management of the Company may provide the discretion to vote against such shareholder proposal, even though such proposal is not included in the proxy statement and form of proxy. Shareholder nominations for director must comply with the notice and informational requirements described above for other shareholder proposals, as well as additional information that would be required under applicable SEC proxy rules.
